18. [REDACTED] LIAISON Bob Turner, in the office of Senator Robert P. Griffin (R., Mich.), called to say that he would like to see whatever figures we have, classified or otherwise, on Soviet military and economic support to Vietnam during the war years. He cited from a 7 March 1975 issue of the Congressional Record (S-3456) based on material offered by Senator Sam Nunn (D., Ga.) and I told him that the figures he was citing were very far off of the classified figures I have at hand. I told him that I would obtain the Record and consult with the analysts. He said that he would like to have the information sometime within the next week or two -- whenever it was most convenient to me. I have ordered the Congressional Record and have alerted [REDACTED] NFAC/CSS, to the pending requirement.

20. [REDACTED] LIAISON Called Don Smith, on the staff of the Subcommittee on Public Works, House Appropriations Committee, to ask about the S&I team report concerning the DIA proposed building. Mr. Smith said that an S&I study had been requested about two weeks ago and that an end of July deadline had been requested.

21. [REDACTED] LIAISON Called John Roberts, Senate Armed Services Committee staff, and asked about the status of the intelligence authorization bill. Mr. Roberts said it would be reported out in the next ten days. He said there was a jurisdictional issue concerning intelligence related activities, and if the Senate Armed Services Committee and the Senate Select Committee on Intelligence could not agree on this matter the issue would probably go to the full Senate for a vote.
